

SERVICES PROVIDED UNDER PRIMARY CARE MEDICAL SERVICES

MATERNITY CARE All the doctors work closely with you and your midwife during pregnancy. We will respect your wishes about the kind of antenatal care and birth you would like, and do everything to make it possible.

CONTRACEPTION Advice about all methods of contraception and safe sex is available from doctors and practice nurses.

EMERGENCY CONTRACEPTION (e.g. the “morning after pill”) is a completely confidential service for people of all ages - just make an urgent appointment with your doctor or nurse.

CHILD DEVELOPMENT CHECKS These are organised by the Health Visitor Team.
Tel 0333 2341902

CHRONIC DISEASE MANAGEMENT Patients with asthma, diabetes, heart conditions and respiratory conditions will be offered annual appointments for review.

DISABLED FACILITIES Southernhay House Surgery has wheel chair access and disabled toilet facilities with limited Pay & Display Parking. Wheelchair access and disabled facilities are available at our Branch Surgery; parking is also easier there.

ANY HEARING PROBLEMS

For people with a hearing aid there is a loop system in each reception area

PRACTICE AREA - We accept new patients from within the Exeter city boundary. Please see our practice website and view the surgery boundary map to see if we cover your address.

NEW PATIENTS that wish to register with the practice need to go to either surgery reception and collect registration forms or download them from our website. You will be registered with the practice and will be able to see any of the Doctors.

OTHER INFORMATION

COMPUTERS We are a fully computerised practice, which helps us to work efficiently. Access to this information is carefully restricted to maintain patient confidentiality.

HOW WE USE YOUR INFORMATION Your Doctor and other health professionals caring for you, keep records about your health and any treatment and care that you receive from the NHS. Your records are used to ensure your Doctor has accurate and up-to-date information to assess your health and decide what care you need. Everyone working for the NHS has a legal duty to keep information about you confidential. We will only ever pass on information about you if others involved in your care have a genuine need for it. We will not disclose your information to third parties without your permission unless there are exceptional circumstances. For more information, ask Reception for a copy of *‘How We Use Your Information’* leaflet.

The practice is contracted by **NHS England** to provide medical services and any details of these services can be obtained from them.

TO SEE YOUR DOCTOR

APPOINTMENTS You can make an appointment by telephone, in person or online (ask reception for details about registering for online services).

Routine appointments are usually for 10 minutes. **Tel 211266**

Evening Appointments—See opening times

Urgent problems A small number of appointments are available each day for problems which are genuinely urgent. Please speak to reception. Tel 211266

HOME VISITS If you are too ill to come to the surgery and need a home visit, please try and telephone before 10.30am. Be prepared to give full name & a brief outline of the problem to the receptionist.

Remember that house visits are only for the very ill or infirm. We have better facilities at the surgery and the Doctor can see six patients here during the time taken for one home visit.

Tel 211266

OUT OF HOURS

In the evenings, at weekends and on bank holidays you will need to call 111 message handling service who will take a message for you. The doctor on call will then telephone you as soon as it is possible. NHS Devon is responsible for commissioning this service. **Tel 0845 6710270**

If you make an appointment to see the Doctor or the Nurse it is your responsibility to keep that appointment and if you cannot attend please cancel it. If you do not it means wasted time for the practitioner.

The Practice has zero tolerance of abusive behaviour. If we do have a potentially violent patient, arrangements will be made for them to be seen at alternative premises where NHS Devon has commissioned the service for violent patients

REPEAT PRESCRIPTIONS You can order prescriptions for medicines that you take regularly if your doctor has given you a printed repeat prescription slip. To order your medicines - hand in or post your prescription request slip to the surgery or order online (ask reception for details about registering for online services). Allow 2 working days before you need to collect your prescription. If you want your prescription to be posted, please send a stamped addressed envelope with your prescription request slip.

To avoid errors, we do not take prescription requests by telephone.

Pharmacy arrangements for repeat prescriptions

Whipton pharmacy will collect prescriptions from our branch surgery - leave your request form with us, then collect your medicine from Whipton pharmacy. Superdrug, Lloyds & Boots pharmacies collect prescriptions from our main surgery and will deliver medicines within Exeter if necessary

RESULTS Please telephone after 2.00pm for results.
